[Primeira Parte]

Bb                            F
   Have I done my best here, or
                             Dm
Will I be here next year, or
                            C
Are these my best years yet?

Bb                       F
   Was looking forward to
                  Dm
Being important but
                     C
I'm not important yet

[Refrão]

        Bb                    C
If you put this scene on a movie screen
       F       Am    Dm
Is it called a happy end?
        Bb
If the world gets me
              C
Where I'm supposed to be
        F          Am       Dm
Will I know I've made it then?

It's so hard

Can we skip to the good part?

[Ponte]

F         Em  Dm  Bb  Gm
Ah, ah ah ah
C
One two three four
F         Em  Dm  Bb  Gm
Ah, ah ah ah
C
One two three four

[Segunda Parte]

Bb                            F
   If there's a good part then
                          Dm
I hope it's not far 'cause
                        C
I though it'd be today

Bb                       F
   I napped on campus and
                         Dm
I smoked that damn six bud
                        C
It didn't feel so great

[Refrão]
        Bb                    C

[Final]

F                       A7
  These things take time
Bb                              F
   Mom and dad they have a good life
Bb                  C               Dm
   But what am I gonna do with mine?
F                       A7
  These things take time
Bb                              F
   Mom and dad they have a good life
Bb                  C                        F
   But what the hell am I gonna do with mine?
