Intro: Gbm D A

[Primeira Parte]

Gbm
Never spoken with my mouth full
Yeah that's a mouthful and I'm doubtful
Gbm
That I could get these lyrics out, oh
'Cause I think fast but I sing slow
Gbm
If I ever started rapping
They'd be laughing, they won't believe me
Gbm
But I got so much I wanna say
So I'm thinking rappers, they got it easy
(Gbm D A)

[Segunda Parte]

Gbm
Someone told me to be selfless
But we are helpless without attention
Gbm
So if no one's paying attention
Then does my voice get to your headphones
Gbm
You start thinking 'bout the clock ticks
You get nervous, you start stressin'
Gbm
So how am I supposed to fit this
In three minutes and thirty seconds

[Refrão]

D Gbm E

[Terceira Parte]

Gbm

But we are helpless without attention
Gbm
Wealthy people learn the lesson
And never donate without the press there

You wanna skip it if it's wordy
But fit the whole song in three-thirty

I thought I had the ADHD
But that's a real thing and I'm just lazy
