

AJR - Turning Out

```
By the stories I knew?
                                                                                                                      tom:
                                                                 G
Intro: Eb Ab Cm Bb Ab Eb
                                                                                                                                                                                                                                                                            Am I ready for love?
                                                                                                                                                                                                                                                                                   Cm
I hold you
                                                                                                                                                                                                                                                                            Or maybe just a best friend
                                                                                                         Cm Bb
I hold you closer then I ever knew
                                                                                                                                                                                                                                                                            Should there be a difference?
I could do
                                                                                                                                                                                                                                                                            Do you have instructions?
           Fh Ah
                                                                                                                                                                                                                                                                            Fh
But I'm confused
                                                                                                                                                                                                                                                                            Maybe I'm stuck
                                                                                                                          Cm
I thought I'd recognize when love was true
                                                                                                                                                                                                                                                                            On what I see on TV
Ab Eb
But I'm confused
                                                                                                                                                                                                                                                                            Ab
                                                                                                                                                                                                                                                                            I grew up on Disney
                                                                                                                                                                                                                                                                                          Bh
                                                                                                                                                                                                                                                                            But this don't feel like Disney
Am I ready for love?
                                                                                                                                                                                                                                                                                                                     Ab
         Cm
                                                                                                                                                                                                                                                                            You say I turned out fine
Or maybe just a best friend
                                                                                                                                                                                                                                                                                                                         Bb
Should there be a difference?
                                                                                                                                                                                                                                                                            I think I'm still turning out
                                                                                                                                                                                                                                                                                                                 Ab
                                                                                                                                                                                                                                                                            You say I turned out fine
Do you have instructions?
                                                                                                                                                                                                                                                                                                                          Bb
                                                                                                                                                                                                                                                                            I think I'm still turning out
Maybe I'm stuck
                                                                                                                                                                                                                                                                                                                      Ab
                                                                                                                                                                                                                                                                            I hope you stick around
On what I see on TV
                                                                                                                                                                                                                                                                                                                       Bb
                                                                                                                                                                                                                                                                            We're gonna figure it out
I grew up on Disney
                                                                                                                                                                                                                                                                                                                Ab
But this don't feel like Disney
                                                                                                                                                                                                                                                                            Who can I turn to now?
                                                                                                                                                                                                                                                                                                         Bb
                                                                                                                                                                                                                                                                            When I'm still turning out
                                        Ab
You say I turned out fine
                                             Bb
                                                                                                                                                                                                                                                                            When I'm still turning out
I think I'm still turning out
