

## AJR - Weak

```
Tom: C
No thank you
Is what I should have said
I should be in bed
Temptations
Of trouble on my tongue
Troubles yet to come
One sip
Bad for me
One hit
Bad for me
One kiss
Bad for me
But I give in so easily
And no thank you
Is how it shoulda gone
I should stay strong
But I'm weak
And what's wrong with that?
Boy oh boy, I love it when I fall for that
And what's wrong with that?
```

## **Acordes**

```
Boy oh boy, I love it when I fall for that
I'm weak
But I'm weak
And what's wrong with that?
Boy oh boy, I love it when I fall for that
(Boy oh boy, I love it when I fall for that)
No thank you
They call me after dark
I don't want no part
My habits
They hold me like a grudge
I promise I won't budge
One sip
Bad for me
One hit
Bad for me
One kiss
Bad for me
But I give in so easily
And no thank you
Is how it shoulda gone
I should stay strong
