

AJR - Wow, I'm Not Crazy

tom:
Capostrate na 3ª casa

[Refrão]

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like
"Wow! I'm not crazy!"

[Primeira Parte]

Don't kill me
Cause I'm just the messenger
I already
Went and took my temperature
And I'm not sick
I took all my vitamins
Yeah, I'm not sick
I'm just kinda different

[Pré-Refrão]

Oh, different, so different
They tell us to be different
But no one told me I could go too far

[Refrão]

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like
"Wow! I'm not crazy!"
Frankly, I feel insane
But you say you feel the same
And suddenly it's like
"Hey! I'm not crazy!"
Cause when you talk it's like
"Wow! I'm not crazy!"

[Segunda Parte]

C

Don't kill me
Cause I'm just the messenger
I've never seen
Someone quite this strange before
You're just like me
You took all your vitamins
You're just like me
And you take delight in it

[Pré-Refrão]

Oh, different, so different
They tell us to be different
But no one told me I could go too far

[Refrão]

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like
"Wow! I'm not crazy!"
Frankly, I feel insane
But you say you feel the same
And suddenly it's like
"Hey! I'm not crazy!"
Cause when you talk it's like
Wow! I'm not crazy!"

[Ponte]

When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"

[Final]

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like
"Wow! I'm not crazy!"
