

# Al Martino - If You Go Away

Tom: C

Intro: Dm E7 Am C Dm Dm E7 D E7

If you go away on this summer day  
Then you might as well take the sun away  
All the birds that flew in the summer sky  
When our love was new and our hearts were high  
When the day was young and the night was long  
And the moon stood still for the nightbird's song  
If you go away, if you go away, if you go away  
But if you stay, I'll make you a day  
Like no day has been or will be again  
We'll sail on the sun, we'll ride on the rain  
We'll talk to the trees and worship the wind.  
Then if you go, I'll understand,  
Leave me just enough love to fill up my hand  
If you go away, if you go away, if you go away  
If you go away, as I know you will  
You must tell the world to stop turning til  
You return again, if you ever do,

For what good is love without loving you  
Can I tell you now, as you turn to go  
I'll be dying slow til your next hello  
If you go away, if you go away, if you go away  
But if you stay, I'll make you a night  
Like no night has been, or will be again  
I'll sail on your smile, I'll ride on your touch  
I'll talk to your eyes that I love so much  
But if you go, no, I won't cry  
Though the good is gone from the word goodbye  
If you go away, if you go away, if you go away  
If you go away, as I know you must,  
There'll be nothing left in the world to trust  
Just an empty room, full of empty space  
Like the empty look I see on your face  
I'd have been your shadow if I thought it might  
Have kept me here, by your side  
If you go away, if you go away please don't go away
