Well you come upstairs
But not to talk

You stay a little while

And you do a little walk on home

I hear you downstairs smokin' cigarettes

I hear you talking shit

E
Cause you ain't got nothin' talk about at all

So you took me to the party

You got me alone

Said you wanna feel good

Cause you feel like you're gonna explode

E
Well, I don't care

Can't pay attention

And I don't give a damn about your intentions at all
