tom:

Intro: G7M Gbm7 Am7 D7 Bm E7 Em7 A7

D7M G7M D7M D7

Diz uma história de encantar

Uma história sem saudade

Diz um verso bem bonito

Que eu preciso me alegrar

Que eu preciso não lembrar

Da tristeza de um amor

Que eu preciso acreditar

Que vem chegando um novo amor

Que eu preciso acreditar

Traz amor pra toda vida

Que eu preciso acreditar

Que eu preciso acreditar

Que eu preciso acreditar

Dm7 Gm7 Dm7

Vem trazer de volta, vem

A paz que a vida tem

A paz de um grande amor

Vem, vem cantando uma alegria

Traz de volta a poesia

Perdida em outro amor

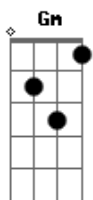

Conta uma história de encantar

Diz um verso bem bonito

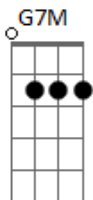

Traz amor pra toda vida

Que eu preciso acreditar
