

Alan Bernardes - Nostalgia

Tom: Eb

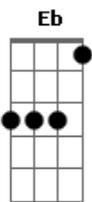

Mesmo que eu pareça um bobo
 Mesmo que eu nao seja nada
 Mesmo que eu nao use marca
 Meu chevette vai pra estrada
 Pois eu gosto da vitrola, o preto e branco o antigo me fascina

Gosto de viver intensamente se lembre meu bar é de esquina
 Prefiro o Long Play(LP) das coisas que eu sei que vieram com a evolução
 Que volte Noel que volte o corte channel e que explodam a televisão
 Prefiro o movimento das meninas que migram do sul (Prefiro as praias desertas da América do Sul)
 Prefiro a Nostalgia e a calma do verde e o azul (Nostalgico na areia observando este céu azul)
