

# Alan Jackson - A Love Like That

Tom: D  
Intro: D G G2  
Well, i've been wonderin'....What i've been missin'  
D G G2  
I guess i should have known  
D G G2 D  
But, my heart does.....and it ain't whisperin'  
D G G2  
It tells me just what it wants...

Someone who knows.. what i like in my coffee  
and the shape of my ol' hat  
A lover who always.. looks at me not through me  
G G2 D  
I need a love like that

D A G  
I need a love like that  
D A G  
I could use a little sun on my back  
D A G  
A truck needs a highway... a train needs a track  
G A D

D  
I need a love like that  
Well, i need a new car but, i cant afford it  
so, i keep patchin' that ol' flat  
My hearts lonely and i can't ignore it  
I need a love like that

Chorus:

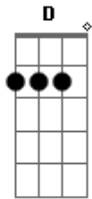

Two young people dancin' in the daylight  
they don't care where there at  
Waitin on sunset holdin on so tight  
I need a love like that

Chorus:

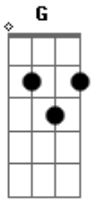

( quietly strum the next verse )

One little baby.. Hidin' in the shadow  
of her daddys hat  
Lovin' and trustin' blindly she'll follow  
I need a love like that
