

Alan Jackson - Dallas

Tom: **G**

[G]Dallas packed her suitcase
 [C]And drove off in the brand new car I [G]bought her
 [G]She made leaving me look easy
 [C]I wish she'd made it look a little [G]harder
 [D]I took her out of Texas
 [C]When she was just a girl
 [D]But old Tennessee and me
 Couldn't take [C]Texas out of[D] her

Chorus:

On [G]how I wish Dallas was in [D]Tennessee

If I could move [C]Texas east
 Then[D] she'd be here with me
 Then [G]nothin' else would come between the[D] two of us
 If [C]Dallas was [D]in Tennes[G]see

[G]By now she's leaving Memphis
 [C]And everything we had [G]behind her
 [G]Lord I hope the gold band on her[C] hand
 Will serve as a [G]reminder
 [D]That true love is a treasure
 [C]That's very seldom found
 [D]But you can't stay together if [C]there's no common[D]
 ground

Oh if [C]Dallas was [D]in Tennes[G]see

Acordes
