It's hard to describe
F G C Am
you're like nothing I've ever known in my life

time is flowing from down deep inside your eyes
F G
so selfness and complete

C Am
Your beauty in and out
F G C Am
all around you not a single cloud
F G C Am
like the rain just stops before it hits the ground
F G
and puddles at your feet

Chorus:

C Am
You're an angel
F G C Am
I know heaven wonders where you are
F G C C Am
like you fell of some old shining star
F G
riding to my heart
C Am
an angel,
F G C Am
when I'm with you I feel like a king
F G C C Am
just like out of some old movie scene
G F G C
an angel, everything but the wings

C Am
Looking at you
F G C Am
it's hard to believe that you could feel the way I do
F G C Am
never thought I'd find so much love we're falling to
F G
or perfect or true
C Am
so never go away
F G C Am
if heaven calls you back if ask if you can stay
F G C Am
I never find someone to ever take your place
F G
you know they only made a few

Chorus:

C Am
You're an angel
F G C Am
I know heaven wonders where you are
F G C C Am
like you fell of some old shining star
F G
riding to my heart
C Am
an angel,
F G C Am
when I'm with you I feel like a king
F G C C Am
just like out of some old movie scene
G F G C
an angel, everything but the wings
