

Alan Jackson - Pop a Top

Tom: G

Pop a top again I've just got time for one more round
Set 'em up my friend, then I'll be gone
And you can let some other fool sit down.

I'd like for you to listen to a joke I heard today

>From a woman who said she was through
And calmly walked away, I tried to smile and did awhile

But it felt so outta place, did you ever hear of a clown with
teardrops
streaming down his face.

(refrão)

Pop a top again I think I'll have another round
Set 'em up my friend, then I'll be gone
And you can let some other fool sit down.

(instrumental)

Home for me its misery and here I'm wasting time

Saw a row of fools on a row of stools

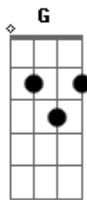

It's not what's on my mind

But then you see her leaving me it's not what I prefer

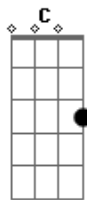

So it's either here just drinking beer or home remembering
her.

(refrão)
