

Alan Jackson - That's All I Need To Know

Tom: C

C
F I had to look through our old pictures
C To see the way we used to smile
C Before we left love in the closet
G
C Like it just went out of style
C
F Can we pull out those old feelin's
F Wipe the hurt away like dust
C Make love shine the way it used to shine
F Find the gold beneath the rust

F
C That's all I need to know
C
F Do you wanna stay together
F Just say let's don't let go
G
F And I'll keep holdin' on forever C

Have the teardrops that you've cried
Drowned the fire in your eyes F
Is there one flame beneath the smoke
G
Tell me is there any hope
C
That's all I need to know

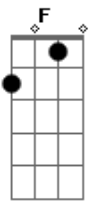

Is it too late to recover
Those old smiles we used to wear
Can we save a love that once was strong
Before it breaks beyond repair

That's all I need to know
Do you wanna stay together
Just say let's don't let go
And I'll keep holdin' on forever
Have the teardrops that you've cried
Drowned the fire in your eyes
Is there one flame beneath the smoke
Tell me is there any hope
That's all I need to know
Is there one flame beneath the smoke
Tell me is there any hope
That's all I need to know
