

Alan Jackson - Tonight I Climbed The Wall

Tom: G

G
Our room is filled with silence, I guess we said it all
D

I don't know when I'd seen our bedroom, so long I can't recall

G
Cause we built this thing between us

C
I'm not sure what's the cost

G
As I swallowed all my pride and tonight I climbed the wall
D G

Chorus:

C
Tonight I climbed the wall, and took her by the hand G

C
We've come too far to fall, couldn't stand to see it end D
C D G
So tonight I climb the wall

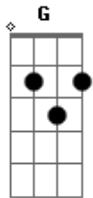

C G
Makin' love is so much sweeter, when you love the one
you hold

D
After all these years of holdin' her, you'd think by now
I'd know

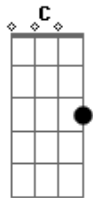

G C G
Now as we lie here together all our troubles seem so
small

D G
Just these satin sheets between us cause tonight I
climbed the wall
