

Alan Jackson - Whos Cheatin Who

Tom: **G**

G Everywhere you look you can write a book
G On the trouble of a woman and a man
G But you can not impose you can't stick your nose
G Into something that you don't understand

(refrão)
 But still you wonder
G Who's cheatin' who, who's being true
G Who don't even care anymore

It makes you wonder
G Who's doing right with someone tonight
G

And who's car is parked next door

G I thought I knew her well I really couldn't tell
G That she had another lover on her mind
G You see it felt so right when she held me tight
G How could I be so blind

(refrão)
G A heart is on the line each and every time
G Love is stolen in the shadows of the night
G Though it's wrong all along it keeps going on
G As long as you keep it outta sight

(refrão)
