

Alan Walker - Different World (feat. Sofia Carson, K-391 & CORSAK)

Tom: Bb

(forma dos acordes no tom de G)

Capostrate na 3ª casa

Intro: Em C D Bm
Em C D Bm

[Verso 1]

Em C
All we know, left untold
D Bm
Beaten by a broken dream
Em C D Bm
Nothing like what it used to be

[Pré-Refrão]

Em C
We've been chasin' our demons down an empty road
D Bm
Been watching our castle turnin' into dust
Em C D
Escapin' our shadows just to end up here once more
Bm
And we both know

[Refrão]

Em C D
This is not the world we had in mind
Bm
But we got time
Em C D
We are stuck on answers we can't find
Bm
But we got time
Em C
And even though we might have lost tonight
D Bm
The skyline reminds us of a different time
Em C D
This is not the world we had in mind
Bm
But we got time

[Verso 2]

Em C
Broken smile, tired eyes
D Bm
I can feel your longin' heart
Em C D Bm
Call my name, howlin' from afar

[Pré-Refrão]

Em C
We've been fightin' our demons just to stay afloat
D Bm
Been buildin' our castle just to watch it fall

Em C D
Been runnin' forever just to end up here once more
Bm
And now we know

[Refrão]

Em C D
This is not the world we had in mind
Bm
But we got time
Em C D
We are stuck on answers we can't find
Bm
But we got time

Em C
And even though we might have lost tonight
D Bm
The skyline reminds us of a different time
Em C D
This is not the world we had in mind
Bm
But we got time

Em C
Take me back
D Bm
Back to the mountainside
Em C
Under the northern lights
D Bm
Chasin' the stars
Em C
Take me back
D Bm
Back to the mountainside
Em C
When we were full of life
D
Back to the start
Bm
We both know that

[Refrão]

Em C D
This is not the world we had in mind
Bm
But we got time
Em C D
We are stuck on answers we can't find
Bm
But we got time
Em C
And even though we might have lost tonight
D Bm
The skyline reminds us of a different time
Em C D
This is not the world we had in mind
Bm
But we got time
