**Em C D Bm**

[Verso 1]

**Em C**  
All we know, left untold  
**D Bm**  
Beaten by a broken dream  
**Em C D Bm**  
Nothing like what it used to be

[Pré-Refrão]

**Em C**  
We've been chasin' our demons down an empty road  
**D Bm**  
Been watching our castle turnin' into dust  
**Em C D**  
Escapin' our shadows just to end up here once more  
**Bm**  
And we both know

[Refrão]

**Em C D**  
This is not the world we had in mind  
**Bm**  
But we got time  
**Em C D**  
We are stuck on answers we can't find  
**Bm**  
But we got time  
**Em C**  
And even though we might have lost tonight  
**D Bm**  
The skyline reminds us of a different time  
**Em C D**  
This is not the world we had in mind  
**Bm**  
But we got time

[Verso 2]

**Em C**  
Broken smile, tired eyes  
**D Bm**  
I can feel your longin' heart  
**Em C D Bm**  
Call my name, howlin' from afar

[Pré-Refrão]

**Em C**  
We've been fightin' our demons just to stay afloat  
**D Bm**  
Been buildin' our castle just to watch it fall

**Em C D**  
Been runnin' forever just to end up here once more  
**Bm**  
And now we know

[Refrão]

**Em C D**  
This is not the world we had in mind  
**Bm**  
But we got time  
**Em C D**  
We are stuck on answers we can't find  
**Bm**  
But we got time

**Em C**  
And even though we might have lost tonight  
**D Bm**  
The skyline reminds us of a different time  
**Em C D**  
This is not the world we had in mind  
**Bm**  
But we got time

**Em C**  
Take me back  
**D Bm**  
Back to the mountainside  
**Em C**  
Under the northern lights  
**D Bm**  
Chasin' the stars  
**Em C**  
Take me back  
**D Bm**  
Back to the mountainside  
**Em C**  
When we were full of life  
**D**  
Back to the start  
**Bm**  
We both know that

[Refrão]

**Em C D**  
This is not the world we had in mind  
**Bm**  
But we got time  
**Em C D**  
We are stuck on answers we can't find  
**Bm**  
But we got time  
**Em C**  
And even though we might have lost tonight  
**D Bm**  
The skyline reminds us of a different time  
**Em C D**  
This is not the world we had in mind  
**Bm**  
But we got time
