

Alana G. - Don't Call

tom: G

You don't have time to spare

So I won't spare time for you

Pretend that I don't care

But I'm always thinking of you

Don't call me no more

'Cause I don't wanna hear you

Cut off all your ties

I tried hard not to lose you

But you're going now

(You'll never be forgotten)

I left some time ago

?Till you act like you don't know me

I'm still in denial

F G Am D
F G Am D

Don't call me no more

'Cause I don't wanna hear you

Cut off all your ties

I tried hard not to lose you

But you're going now

Don't call me no more

'Cause I don't wanna hear you

Cut off all your ties

Tried hard not to lose you

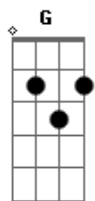

But you're going now

(F G Am D)

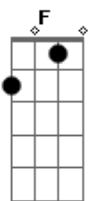

But you're going now

But you're going now
