G C Em7 D

The first thing that you'll notice is some  
Em7 D Separation from each other  
G C Yes, it's a lie; is that we've been  
D Believing since time immemorial  
G C Em7 There was an apple, there was a snake, there  
D Was division  
G C Em7 There was a split, there was a conflict in  
D G C Em7 D The fabric of life

G C Em7 D  
One became two and then everyone was out for

Themselves  
G C Em7 Everyone was pitted against each other  
D Conflict ruled the realm  
G C Em7 All our devotions and temperaments are  
D G Pulled from different wells  
C Em7 D They seem to easily forget we are made of  
G C Em7 D The same cells

[Refrão]

G C Em7 D  
To my boy: all that energy so wild  
G C Em7 D All you hues and your blues in equal measure  
G C Em7 D Your comings and your goings-away  
G C Em7 D My mission is to keep the light in your eyes  
G C Em7 D Ablaze

G C Em7  
The second thing you'll notice is that often  
D G We think that there's not enough  
C Em7 It might feel dark, it might feel lonely and  
D G You'll wonder why you're here  
C Em7 You may be overcome with darkness and a  
D G Sense of hopelessness  
C Em7 But it won't matter if you keep your core  
D G C Em7 D Connected to the one-ness

[Refrão]

G C Em7 D  
To my girl: to your innocence and fire  
G C Em7 When you reach out, I am here Hell or High

G C Em7 D G C Em7 C If we forget at the same time

G C  
The tenth thing you might notice is that  
Em7 D Everyone has fantasies  
G C Em7 Different perspectives they would likely  
D G Fight over who is right and  
C Em7 Who is the best? Who has won? Who's better  
D Than the other?  
G C Em7 None of that will matter much when you  
D G C Em7 Return to your place in the sun  
D G C Em7 D Your place in the sun

G C Em7 D  
To my girl: all your innocence and fire  
G C Em7 When you reach out, I am here Hell or High  
D Water  
G C Em7 D This nest is never going away  
G C Em7 My mission is to keep the light in your  
D Eyes

G C Em7 D  
To my boy, all that energy so wild  
G C Em7 D Love your hues and your blues in equal  
Measure  
G C Em7 D Your comings and your goings-away  
G C Em7 D My mission is to keep the light in your eyes  
G C Em7 D Ablaze

G C  
The first thing that you'll notice is that  
Em7 D G C Em7 D Everything is temporary  
G C Em7 The next you might notice is that we will  
D G C Em7 D Always be a family  
G C Em7 D My mission is to keep the light in your eyes  
G Ablaze
