I leave it in the dust
Db **Bbm**
All of these psychologies

Here lies the weakness
Fm
object you with my stuff
Db
But we're ready to push
Bbm
envelopes into full
Fm
blown consciousness

Db Bbm
So here we go out here
Fm
on the edge of evolution
Db
No one's going out here
Fm
On the edge of evolution

Db **Bbm**
I have had my motives
with any that's
Fm
stokes and says
Db **Bbm**
I have had a weakness
lullaby before
Fm

the most part

Ab **Ab Db**
Here's the secret
to what I need
Ab **Ab**
The highest and
Db
lows when
the hews are
Ab
where it lives
Ab Db
These are versions
Ab
of these creepies
Ab Db
Push me beyond identity
Ab
in the truth this is
(we're already here)

Db Bbm
here we are out here
Fm
on the edge of evolution
Db Bbm
We've been high out here
Fm
On the edge of evolution
Db Bbm
here we are out here
Fm
on the edge of evolution
Db Bbm
We've been high out here
Fm
On the edge of evolution
