

Alanis Morissette - Missing The Miracle

tom:

Intro: G C Em D

[Primeira Parte]

G C7M
You call it bright and I call it simple
Em D C
And somewhere in the middle is truth
G C7M
And?you?see the hill ?and I see the castle
Em D A C
Our front?that was united is doomed ooh

[Refrão]

G C G D
You call this brick and mortar I call this sacred skin
Em C D
You see the figure skater and I fear the ice is thin
G C G D
And the light is all around us but when we spar it's dim
G C Em D G C Em
We're right here in the middle missing the miracle

[Segunda Parte]

G C
You see the cloud and I see the lining
Em D C
And somewhere in the middle is sun
G C
And you say it's greatness" and I say bad timing
Em D A C
And when we leave the ring no one's won ooh

[Terceira Parte]

G C G D
I go for the jugular you knock 'til you get in
G C Em D
You hold the loud and raucous and I hear the dropping pin
G C G D
And you run all front and center I whisper paper thin
G C Em D
We're right here in the middle missing the miracle

[Refrão]

C Em
The winter gets long
D
The rapids get white
Am C G
And what doesn't kill us turns to grey
G C G D
You call this brick and mortar I call this sacred skin
G C Em D
You see the figure skater and I fear the ice is thin
G C G D
And the light is all around us but when we spar it's dim
G C Em D G C
We're right here in the middle missing the miracle

Em D G C
Missing the miracle (the light is all around us)
Em D G C
Missing the miracle (the light is all around us)
Em D
Missing the miracle

[Final] G
