

Alanis Morissette - No Pressure Over Cappuccino

Tom: **E**
Intro: **E E** 2x

And you're like a 90's Jesus

And you revel in your psychosis

How dare you?

And you sample concepts like hors d'oeuvres

And you eat the questions for deserve

Is it just me or is it hot in here?

And you're like a 90's Kennedy

And you're really a million years old

You can't fool me

They'll throw opinions like rock in riots

And they'll stumble around like hypocrites

Is it just me or is it dark in here?

A

Well, you may never be or have a husband
You may never have or hold a child

You will learn to lose everything

We are temporary arrangements

Ah, ah...

And you're like a 90's Noah

And they laughed at you

As you packed all of your things

And they wonder why you're frustrated

And they wonder why you're so angry

(And) Is it just me or are you fed up

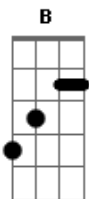

E E A B ...

And God bless you in your travels

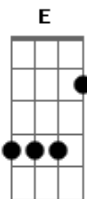

In your conquests and queries

E E A B ...
