

Alanis Morissette - Pedestal

tom:

G

[Primeira Parte]

Am C G F
I'm sure you've enjoyed the ride, who wouldn't?
Am C G D
I'm sure every perk has perked you up, how could it not?
Am C G F
And every opportunity through me helped you climb, didn't it?
Am C G D D
Dropping my name blew doors open that were closed before

[Refrão]

F C Am G
And one day you'll see that you've never really seen me
F C G
One day you'll find out that everything you dreamed of
Wasn't who stood before you
F C Am Em
One day I won't be craved the way you crave me now
F C D
As this pedestal crumbles down
D Am C G F
And crashes me to the ground

[Segunda Parte]

Am C G F
I'm sure you enjoyed my name, who wouldn't take advantage?
Am C G
I'm sure you enjoyed this game, and the proxy pride that you
landed
Am C G F
And everything vicarious seemed to build you up
Am C G D
You grabbed my crown and got everything you wanted

[Refrão]

F C Am G
And one day you'll see that you've never really loved me
F C G
One day you'll find out that everything you dreamed of
Wasn't who stood before you
F C Am Em
One day I won't be craved the way you crave me now
F C D
As this pedestal crumbles down
D F C D
As this pedestal crashes down
D Am C G F
Crashes me to the ground

[Refrão]

F C Am G
One day you'll see that you've never really seen me
F C G
And one day you'll find out that everything you dreamed of,
Wasn't who stood before you
F C Am Em
One day I won't be craved the way you crave me now
F C D
As this pedestal crumbles down
D F C D
As this pedestal crashes down
D Am C G F
Crashes me to the ground

[Final] Am

Wasn't who stood before you
F C Am Em
One day I won't be craved the way you crave me now
F C D
As this pedestal crumbles down
D Bb
And crashes me to the ground
Bb
[Ponte]
Bb
You're left with a human being
(Am) A
You're left with a fallible soul
Bb
Oh, when the glitter falls
F
I'm here and sometimes average, sometimes more
Bb Am A
When the glare of the lights grow dim
Bb
And you're left with a delicate real
F C D D
When the bright lights clear, there's just me sitting here
