

Alanis Morissette - Simple together

Tom: D

you've been my golden best friend
 Bminor F#minor G A
 now with post-demise at hand
 D A D A
 can't go to you for consolation
 Bminor F#minor G A
 cause we're off limits during this transition

this grief overwhelms me
 it burns in my stomach
 D B minor A
 and i can't stop bumping into things

i thought we'd be simple together
 i thought we'd be happy together
 thought we'd be limitless together
 i thought we'd be precious together
 A
 but i was sadly mistaken

you've been my soulmate and mentor
 Bminor F#minor G A
 i remembered you the moment i met you
 D A D A
 with you i knew god's face was handsome
 Bminor F#minor G A
 with you i suffered an expansion

this loss is numbing me
 it pierces my chest
 D B minor A
 and i can't stop dropping everything

i thought we'd be sexy together
 thought we'd be evolving together
 i thought we'd have children together
 i thought we'd be family together
 A
 but i was sadly mistaken

if i had a bill for all the philosophies i shared
 if i had a penny for all the possibilities i presented
 if i had a dime for every hand thrown up in the air
 my wealth would render this no less severe

i thought we'd be genius together
 i thought we'd be healing together
 i thought we'd be growing together
 thought we'd be adventurous together
 A
 but i was sadly mistaken

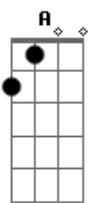

thought we'd be exploring together
 thought we'd be inspired together
 i thought we'd be flying together
 thought we'd be on fire together
 A
 but i was sadly mistaken
