

Alanis Morissette - Smiling

tom:

Cm

G **Cm** **G**

This is a life of extremes

Cm **G**

Both sides are slippery and enticing

Cm

These are my places off the rails

(**G** **Cm**)

G **Cm** **G**

This loose recollection of the falling

Cm **G**

Barely remember who I failed

Cm **G**

I was just trying to keep it together

(**Cm** **C**)

[Refrão]

Em **C**

This is the first wave of my white flag

G **D**

This is the sound of me hitting bottom

Em **C**

This is my surrender if that's what you call it

G **D** **C**

And the anatomy of my crash

G **Cm** **G**

And I keep on smiling

Cm **G**

Keep on moving

Cm **G**

Can't stand still

(**Cm**)

G **Cm** **G**

Me the ceiling-less great achiever

Cm **G**

Me the notorious perfect mother

Cm **G**

Lord to the ends of overwhelm

(**Cm** **C**)

[Refrão]

Em **C**

This is the first wave of my white flag

G **D**

This is the sound of me hitting bottom

Em **C**

This is my surrender if that's what you call it

G **D** **C**

And the anatomy of my crash

G **Cm** **G**

And I keep on smiling

Cm **G**

Keep on moving

Cm **G**

Can't stand still

(**Cm**)

G **Cm** **G**

Such pretty forks in the road

Cm **G**

On this continuum I've been bouncing

Cm **G**

Life-flashing promise before my eyes

(**Cm** **C**)
