

Alanis Morissette - Sorry to myself

Tom: G

Em D
For hearing all my doubts so selectively and
Em D
For continuing my numbing love endlessly
Em D
For helping you and myself: not even considering

Am Em
To whom do I owe the biggest apology?
Am Em
No one's been crueller than I've been to me

For letting you decide if I indeed was desirable
For my self-love being so embarassingly conditional
for denying myself to somehow make us compatible
for trying to fit a rectangle into a hole

To whom do I owe the biggest apology?
No one's been crueller than I've been to me

C G7
I'm sorry to myself
C G7
My apologies begin here before everybody else
C G7
I'm sorry to myself

C G7
For treating me worse than I would anybody else
VERSE3:
For blaming myself for your unhappiness
for my impatience when I was perfect where I was
Ignoring all the signs that I was not ready,
For expecting myself to be where you wanted me to be

To whom do I owe the first apology?
No one's been crueller than I've been to me And

Chorus:
I'm sorry to myself
My apologies begin here before everybody else
I'm sorry to myself
For treating me worse than I would anybody else

Am Em
Well, I wonder which crime is the biggest ?
C D
Forgetting you or forgetting myself...
Am Em
Had I heeded the wisdom of the latter
C D
I would've naturally loved the former

For ignoring you: my highest voices
For smiling when my strife was all too obvious
For being so disassociated from my body,
for not letting go when it would've been the kindest thing.

To whom do I owe the biggest apology?
No one's been crueller than I've been to me

Chorus:
I'm sorry to myself
My apologies begin here before everybody else
I'm sorry to myself
For treating me worse than I would anybody else
I'm sorry to myself
My apologies begin here before everybody else
I'm sorry to myself
For treating me worse than I would anybody else
