

# Alanis Morissette - Surrendering

Tom: **G**

A música começa só com a bateria, e o teclado vem logo depois (tudo em cima da voz da Alanis)  
recomendação: ouçam a música para tocar senão vai ficar complicado, blz?

you were full and fully capable  
you were self sufficient and needless  
A guitarra entra aqui (ou violão), os caras ficam fazendo um monte de dedilhados e solos com a nota D, se eu fosse colocar tudo que eles fazem eu ia ficar aqui um tempão escrevendo e vcs não iam entender nada, então vou colocar as notas da música e vcs se viram com os solos, vcs podem fazer deilhado ou então só as batidas...!!!!Falow!!!!

**D**  
your house was fully decorated in that sense  
you were taken with me to a point  
a case of careful what you wish for  
but what you knew was enough to begin  
and so you called and courted fiercely  
so you reached out, entirely fearless  
and yet you knew of reservation and how it serves

antes de entrar no refrão, eles fazem um riff bem legal que é a única coisa que eu posso passar pra vcs que vcs vão entender:

**G A**  
and I salute you for your courage  
**G A**  
and I applaud your perseverance  
**G A G A**  
and I embrace you for your faith in the face of adversarial forces  
**D**  
that I represent

diferente

**D**  
so you were in but not entirely  
you were up for this but not totally  
you knew how arms length-ing can maintain doubt  
and so you fell and you're intact  
so you done in and you're still breathing  
so you jumped and you're still flying if not shocked

Vc pode fazer o riff ou não

**G A**  
and I support you in your trusting

**G A**  
and I commend you for your wisdom  
**G A G A**  
and I'm amazed by your surrender in the face of threatening forces  
**D**  
that I represent

**D**  
you found creative ways to distance  
you hid away from much through humor  
your choice of armor was your intellect  
and so you felt and you're still here  
and so you died and you're still standing  
and so you softened and you're still safely in command
