

Alanis Morissette - That Particular Time

Tom: C

Intro: C C

Dm C C F Em
my foundation was rocked my tried and true way to deal was to vanish
C C F Em **Dm**
my departures were old I stood in the room shaking in my boots
F G C D7
at that particular time love had challenged me to stay
F G C D7
at that particular moment I knew not run away again
F G C D7 F
that particular month I was ready to investigate with you
G C
at that particular time

Dm C C F Em
we thought a break would be good for four months we sat and vacillated

Dm C C F Em
we thought a small time apart would clear up the doubts that were abounding

F G C D7
at that particular time love encouraged me to wait

F G C D7
at that particular moment it helped me to be patient

F G C D7 F
that particular month we needed time to marinate in what "us" meant

G C

at that particular time

Am F7
I've always wanted for you what you've wanted for yourself

Am F7
and yet I wanted to save us high water or hell

Am F7
and I kept on ignoring the ambivalence you felt

G F7
and in the meantime I lost myself

G F7
in the meantime I lost myself

G F7 G
I'm sorry I lost myself?..i am

C C F Em **Dm**
you knew you needed more time time spent alone with no distraction

C C F Em **Dm**
you felt you needed to fly solo and high to define what you wanted

F G C D7
at that particular time love encouraged me to leave

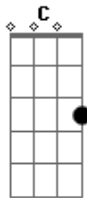

F G C **D7**
at that particular moment I knew staying with you meant deserting me

F G C D7
that particular month was harder than you'd believe but I still left

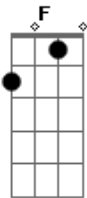

F G C
at that particular time
