

# Alanis Morissette - 'Til You

Tom: **Bb**

**Bb** **F** **Gm** **Eb**  
I've been wasting time clawing my way to you  
**Cm** **Dm** **Eb** **F**  
Taking no prisoners with my romantic crimes  
**Bb** **F** **Gm** **Eb**  
I've been holding out imagining glimpses of you  
**Cm** **Dm** **Eb** **F**  
Holding my breath while you come down the pike

Refrão:

**Bb** **Bb** **Eb** **Gm**  
Spinning my wheels 'round  
**F** **Bb** **Bb** **Eb** **Gm** **F**  
I'm here dodging bullets 'til you  
**Bb** **Bb** **Eb** **Gm**  
Ear to the ground  
**F** **Bb** **Bb** **Eb** **Gm** **Ab7**

While I'm dodging bullets 'til you - ooh!

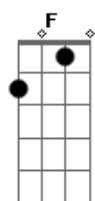

**Bb** **F** **Gm** **Eb**  
I've been taking notes, nursing the thought of you  
**Cm** **Dm** **Eb** **F**  
Research and develop as i'm bidding my time  
**Bb** **F** **Gm** **Eb**  
I've been holding up this magnet that calls to you  
**Cm** **Dm** **Eb** **F**  
Entertaining myself with these consolation prizes

(Refrão)

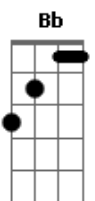

**Bb** **F** **Gm** **Eb**  
They've been plenty fun, but mere placeholders for you  
**Cm** **Dm** **Eb** **F**  
They fill this dance card as you form in my mind

(Refrão)
