

# Alanis Morissette - Your Congratulations

Tom: **F**

OBS.: Tanto os Solos I quanto o II são tocados durante a música toda, sem ter nenhuma nota a ser feita.

Solo I

I wouldn't have compromised as much.  
So much of myself for fear of having you hating me

Solo II

I would've sung so loudly,  
It would've cracked myself

Solo I

I wouldn't have sold myself short.  
I wouldn't have kept my eyes glued to the ground

Solo II

If I had've known my invisibility would not make a difference,

I would've run around screaming proudly at the top of my voice

Solo I

Vocalização

I wouldn't have said it was in fact luck,  
I'm talking idealism here

Solo II

I wouldn't have cowered for fear of having my eyes  
scratchedout

Solo I

I wouldn't have cut my comfort off.  
I wouldn't have feigned needlessness

Solo II

I would not have discredited every one of their compliments.  
It was your approval I wanted.  
Your congratulations
