**D**  
Free from it all  
I'm not gonna change till I want to  
And I'm free it all  
I'm not gonna change till I want to  
**D** **Bm**  
By the way she looked I should've calmed down  
I went too far  
Oh thats all I got to say  
**D** **Bm**

By the way she looked I should've calmed down  
**Em**  
I went too far  
Oh thats all I got to say  
(Repete)  
Free from it all  
I'm not gonna change till I want to  
And I'm free from the world  
where I built too many roads  
By the way she looked I should've calmed down  
I went too far  
Oh thats all I got to say  
By the way she looked I should've calmed down  
I went too far  
Oh I went too far  
Terencio.
