

Alberto Rosenblit / Mário Adnet - Penedo

tom:

D

Intro: D D

D Eb
Noite serena

Meus pais conversando na luz do luar

E eu bem pequeno ficava escutando e contando as estrelas

A lua cheia

Enchia de prata, de sombra e segredo

As cachoeiras

Os campos, as matas e o céu de Penedo

Bem de manhã

Galopar minha égua alazã

Am D7 G
E chegar a qualquer lugar

Onde essa estrada vai dar

Perto do rio que andava comigo

Por todas as curvas e estradas da vida

Meu velho amigo

Que o tempo afinal separou na partida

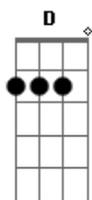

Hoje a saudade

Me enche de sonhos, tristezas e medos

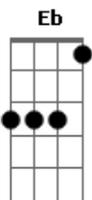

Meu pai se foi

E quem sabe amanhã seja a vez de Penedo
