

# Albion Place - I Will Not Forget

Tom: **G**

**F**  
Can't seem to move on  
**Dm**  
Can't even get my groove on  
**Am**  
Couple of them Woodstocks later  
**C** **F**  
Now I can't remember what I'm even worried about

**F**  
Drowning my sorrows  
**Dm**  
18 empty bottles  
**Am**  
Opening my Bible -tryna stop myself from leaving this world  
**F**  
All over a break up  
**Dm**  
I thought we would just make up  
**Am**  
But I was mistaken  
**Am**  
And then my heart started breaking  
**F**  
Girl how could you do this  
**Dm**  
We've already been through this  
**Am**  
I'm clueless  
**Am**  
On what to do here, Screw it  
**F**  
I'm sorry

Oh  
**Dm**  
Oh  
**Am** **F**  
I said, I'm sorry

**F**  
Coz when them lights go down low  
**Am**  
Down girl you go  
**F**  
Around girl you get  
**C**  
I will not forget  
**F**  
The good and the bad times  
**Am**  
In this life there's no rewind  
**F**  
This is the first and the last time  
**C**  
I said I'm sorry

**F**  
Oh

**Dm**  
Oh  
**Am** **F**  
I said, I'm sorry

**F**  
Maybe I thought too much  
**Dm**  
Maybe I didn't think enough  
**Am**  
The truth is, you used me, I'm clueless

**Am** I not enough  
**F**  
I guess I'm used to girls that care  
**Dm**  
But you just didn't care  
**Am**  
Did you ever care  
**F**  
Cause girl I cared so much

( **Dm** **Am** **F** **Dm** **Am** )

**F**  
Psychologically you probably couldn't follow me  
**Dm**  
You're popping mollies constantly while lying fresh up under T  
**Am**  
And I guess he is a heartbreaker oh my god yes he is  
**F**  
You're the worst that I've ever met  
**Dm**  
You either have or you haven't or you haven't yet  
**Am**  
Lest I forget the pain that I endured  
**C**  
Socrates' philosophies couldn't guide me through a colder war  
**F**  
What's that? You felt pain too?  
**Dm**  
Try imagine all the trouble that you put me through and I  
don't know why I said sorry to you  
cause in the end girl I will not forget  
**Am**

**F**  
Coz when them lights go down low  
**Am**  
Down girl you go  
**F**  
Around girl you get  
**C**  
I will not forget  
**F**  
The good and the bad times  
**Am**  
In this life there's no rewind  
**F**  
This is the first and the last time  
**C**  
I said I'm sorry

## Acordes
