

# Alceu Valença - Samba do Tempo

Tom: A

Intro: A E A Ab A Ab A

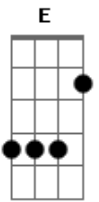

A  
 0 tempo  
 Se dilata como um fio  
 Cordão, elástico, caminho  
 Estrada que nos transporta  
 A gente  
 Segue o tempo e ninguém nota  
 Seus caminhos, suas rotas

Por onde o tempo seguiu  
 Depois  
 Quer viver tudo que viu  
 Vai bater na mesma porta  
 De onde um dia saiu  
 Depois  
 Quer viver tudo que viu  
 Vai bater na mesma porta  
 De onde um dia saiu
