Eu vi o sol e a estrela matutina
 Vou pra Campinas nessa estrada pelo ar

Eu vi o sol e a estrela matutina
 Vou pra Campinas nessa estrada pelo ar

Saí do Rio de Janeiro às nove horas
 Quando o sol feito uma bola derramava o seu clarão
 Botando fogo nas águas da Guanabara
 Feito fogo de coivara e eu nas asas do avião

Eu vi o sol e a estrela matutina
 Vou pra Campinas nessa estrada pelo ar

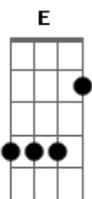

Eu vi o sol e a estrela matutina
 Vou pra Campinas nessa estrada pelo ar
 Sou azulão, passarinho cantador
 Cantor das festas de São Pedro e São João

Vou no destino da cidade de Campinas
 Ver as meninas, hoje eu sei que vou brincar
 Brilhar bonito feito a estrela matutina
 Te encantar menina, ser teu sabiá
 Te encantar menina, ser teu sabiá
 Te encantar me...ni...na
