

Alcione - Garoto Maroto

Tom: G

Intro: Am7 Bm7 Em7 Am7 B7 Em7 E7

Você faz de conta que quer o meu perdão

Mas depois apronta no meu coração

Desarruma tudo, fazendo arruaça

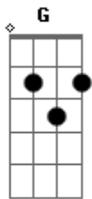

Me põe quase louca de tanta pirraça

Com os carinhos que dá sem favor

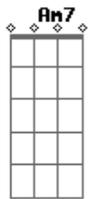

Tira meu escudo, me põe indefesa
Me deixa acesa com água na boca, carente de amor

Garoto maroto, travesso no jeito de amar
Faz de mim, seu pequeno brinquedo, querendo brincar, garoto
Vem amor, vem mostrar o caminho da doce ilusão
Só você pode ser a criança do meu coração
