

Alcione - Ogum Chorou Que Chorou

Tom: G

(Refrão)

Ogum chorou, que chorou
 Mas, veio Oxum aparar
 Seu pranto, seu pranto
 Foi Iemanjá quem cessou
 Toda ira de Xangô

Encanto do Santo

(Repete o refrão)

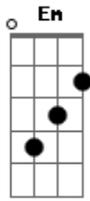

Olodum, Maré tá cheia de águas de ressentimentos
 Bela Oyá balé dos ventos, palhas de Omulu
 Vem brincar, oru de Erê, Fara Logun, fala por nós
 Yaô, ekede e Alabê cantam em uma só voz

(Repete o refrão)
