

Ale de Maria - Beija-Flor da Lua

Tom: G

Honrando as águas de Iemanjá

As penas brancas do cocar
O beija-flor da lua é o lobo

Uivando flores, rezando ar

Veio a floresta anunciar

Que o rezador é o próprio fogo

Salve o poder de Oxalá

0 rei de todos os orixás

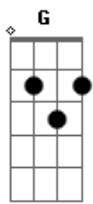

0 comandante dos Pajés

Rezando a força das marés

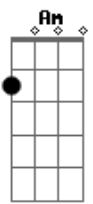

Redentor da grande aldeia

0 senhor da lua cheia
