

Alê D'ilê - Chuva de Cor

tom:

C

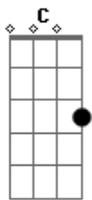

Em toda chuva de cor
Tentava te esquecer
Enganava o amanhecer
Escondido em tua flor

Sei o que me deixou
Ainda não acabou

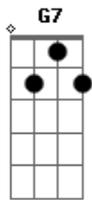

A ida que não foi
Doce falta me lembrou

Encontrei apoio repentino
Bem-vinda chuva escondida
Mergulhei em teu rio
E encontro o riso
Que ainda não me pediu
Sempre que sou eu
