

Alec Benjamin - 6 (feat. Apart)

tom:
Capostrate na 5ª casa

[Primeira Parte]

They say distance is relative
Relative to relatives I have
I'd say I'm relatively close
To breaking down
Because?right?now
I feel so?alone
I've been missing the elements and
Wishing?the elephant in the room
Would leave and kindly close the door
I can?t ignore
Him like before
Not anymore

[Pré-Refrão]

Oh I miss you most at
Six feet apart when you're
Right outside my window
But can't ride inside my car and it
Hurts to know just how lovely you are
And be too far away to hold but close enough to break my heart
I miss your smile
Feels like miles
Six feet apart

[Refrão]

So far, so far but so close
Like a star, out in the cosmos
Can?t touch, the beauty I see
That?s how, it feels at 6 feet

[Segunda Parte]

Space and time are interwoven
Or at least thats what we're told
When I was young I was suspicious but it?s true
Time sticks like glue
I feel so blue
Here missing you
So I think I'll build a time machine and go back to a time
When we didn?t need to measure six feet on the ground
And I came around
That's not allowed
Can?t go back now

[Pré-Refrão]

So I miss you most at
Six feet apart when you're
Right outside my window
But can't ride inside my car and it
Hurts to know just how lovely you are
And be too far away to hold but close enough to break my heart
I miss your smile
Feels like miles
Six feet apart

[Refrão]

So far, so far but so close
Like a star, out in the cosmos
Can?t touch, the beauty I see
That?s how, it all feels to me
So far, so far but so close
Like a star, out in the cosmos
Can?t touch, the beauty I see
That?s how, it feels at 6 feet
