

Alec Benjamin - I Built a Friend

Tom: A
Intro: A

Verso 1:
A I built a friend with three pieces of plastic and a pen Gbm
I made him on the table in the den D
I gave him my old cellphone for a head A
For a head E
And we spent holidays in my house A
And we left presents in the stocking Gbm
And we bought bolts and things and strings and a new watch D A
That's what he got E

Refrão:
D And we had so much fun together
A E We knew we'd be friends forever
D And we had so much fun together
A E we had so much fun

Verso 2:
A Then I left for college in September
Gbm And we wept cause we can't be together
D So I kept pictures to remember my old friend A
E My old friend
A Then I met this girl at graduation
Gbm And forget my oldest creation

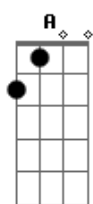

D And I guess I'll see him next vacation
A E Send my best, I send my best

Refrão:
D And we had so much fun together
A E We knew we'd be friends forever
D And we had so much fun together
A E we had so much fun

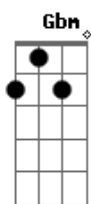

Verso 3:
A Gbm I came home to find him on the table with a note
D Scribbled out in pencil and he wrote
A That he just wasn't stable all alone
E All alone
A Gbm Next to him, an empty glass of water that he spilled
D All over the body that I built
A It fizzled and it popped and then it killed
E And then it killed

Refrão:
D And we had so much fun together
A E We thought we'd be friends forever
D And we had so much fun together
A E we had so much fun
A I built a friend
