

Alec Wigdahl - Cologne

G tom:

You said that my cologne smells nice

I think it would smell better on your bedsheets

You said I don?t know why, and baby I don?t know why

All your friends told you that you should never talk to me

You said you wouldn?t try to, but here you are and I do want you bad

And I don?t want you to hate me, but I?m still broken, I?m still crazy

From the last time, yeah I don?t know what you?ll find in me

But you wont find love, love, you wont find love

Yeah, I been there before, I?ve tried that

You wont find love, wont find love with me, wont find love

Yeah, I been there before, I?ve tried that

I told you that I?m over her and now I think that I just need to prove it

So baby I?ma lose it when you come back later

So kiss me with the lights off, baby I think that we could go even further

Wish that I could forget her, I?m sorry I can?t forget her

Forget her, oh no

And I don?t want you to hate me, but I?m still broken, I?m still crazy

From the last time, yeah I don?t know what you?ll find in me

But you wont find love, love, you wont find love

Yeah, I been there before, I?ve tried that

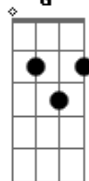

You wont find love, wont find love with me here, wont find love with me

Yeah, I been there before, I?ve tried that

Yeah, I been there before, I?ve tried that
