Alessia Cara - Sweet Dream

```
                            tom:
                    Bb
Intro: Bb   Gm   Eb   F
```

[Primeira Parte]

```
     Bb                      Gm
4: 55, everybody else is snoring
        Eb                           F
My heavy eyes, I can never seem to close 'em
                   Bb
My running mind, just can't catch you
        Gm
When it's going
             Eb
Is it late at night or is it early
     F
In the mornin'?
```

[Pré-Refrão]

```
            Bb
Only, so many sheep a girl can count
 Gm
Patchouli candles burnin' out
    Eb
I try to meditate it all away
     F
But damn it is too quiet now
  Bb
Daylight helps distract my head
 Gm
Monsters hide under my bed
          Eb
They bother me with all kinds of things like
         F
Where do I go when I'm dead?
```

[Refrão]

```
         Bb                     Gm
Is it too much to ask for a sweet dream?
  Eb                          F
Need a step back from my feelings
  Bb                      Gm
Life is not so bad when I'm sleeping
          Eb              F               Bb
Is it too much to ask, too much to ask for a, uh
         Gm
Sweet dream
Eb                    F
   For a sweet dream
```
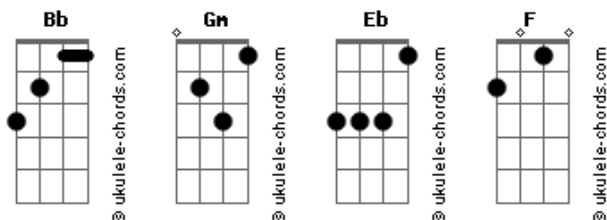

[Segunda Parte]

```
     Bb                          Gm
6: 58, Sun's peaking through the curtains
           Eb                         F
I drift away, suddenly the wheels are turnin'
                     Bb                    Gm
Songs are in my head, scary thoughts begin to worsen
                      Eb                   F
Once I'm wide awake, it's too hard to reverse it
```

[Pré-Refrão]

```
            Bb
```

```
Chirping birds are flying 'round my house
 Gm
Patchouli candles burnin' out
     Eb
I try to meditate it all away
         F
But damn it is too quiet now
     Bb
Daylight helps distract my head
 Gm
Monsters hide under my bed
                Eb
They bother me with all kinds of things like
          F
That one stupid thing I said
```

[Refrão]

```
         Bb
Is it too much to ask
           Gm
For a sweet dream? (Sweet dream)
  Eb                          F
Need a step back from my feelings (feelings)
  Bb                      Gm
Life is not so bad when I'm sleeping
          Eb              F               Bb
Is it too much to ask, too much to ask for a
         Gm
Sweet dream
Eb                    F
   For a sweet dream
Bb              Gm
A sweet dream
Eb                    F
   For a sweet dream
```

[Ponte]

```
  Bb        Gm        Eb      F
Sandman, can you visit me?
Bb      Gm      Eb        F
All I want is a sweet dream
```

[Terceira Parte]

```
     Bb                        Gm
8: 31, I'm slurrin' every word now
              Eb                          F
I pray this cold coffee helps me with the rebound
               Bb                        Gm
How does everybody I know, know how to sleep sound
               Eb
When we're all a mess, I guess
          F       Bb
The only way out is a
```

[Final]

```
          Gm
Sweet dream (sweet dream, sweet dream)
Eb              F
   Is a sweet dream (ah-ah, ah-ah, ah-ah, ah)
Bb            Gm
A sweet dream (oh, yeah, yeah, ayy, ayy)
Eb              F
   Is a sweet dream (yeah, ayy, ayy)
```
