

Alessia Cara - Trust My Lonely

tom:

F

[Primeira Parte]

F
It's time I let you go
C
I made the mistake of writing
Your name on my heart
F
'Cause your colors showed
C
But it was too late
You left me stained, called it art
F
Do you crave control?
C
I've been your dool
That you poke for fun for too long
F
So you should go
C
Don't look back, I won't come back
Can't do that no more

[Refrão]

F
Go get your praise from someone else
C
You did a number on my health
Bb
My world is brighter by itself
C
And I can do better, do better
F
You and I were swaying on the ropes
C
I found my footing on my own
Bb
I'm a-ok, I'm good as gold
C
And I can do better, do better alone
(oh, oh, oh, oh)
C
Alone

[Segunda Parte]

F
There ain't no love 'round here
C
I loved you once, but it made me dumb
F
Now I'm seeing it way too clear
C
You hurt me numb
And for that I've run out of time
F
To have pain to feel
C
I've been your game
Just taking the blame for too long
F
Get on out of here
C
Don't look back, I won't come back
Can't do that no more

[Refrão]
