**G**

**F** **Am**  
Find table space to say your social graces

**F** **Am**  
Bow your head, they're pious here, but you and I, we're pioneers

**F** **Am** **G**  
We make our own rules, our own room, no bias here

**G**  
Let 'em sell what they are sellin', there are no buyers here

**F** **Am**  
So gather all the rebels now, we'll rebel rouse and sing aloud

**F** **Am**  
We don't care what they say no way, no way

**F** **Am**  
And we will leave the empty chairs to those who say we can't sit there

**G**  
We're fine all by ourselves

[Pré-Refrão]

**F** **Am**  
So ay, we brought our drum and this is how we dance

**F** **Am**  
No mistakin', we make our breaks, if you don't like our 808s

**F** **Am**  
Then leave us alone, cause we don't need your policies

**G**  
We have no apologies for being

[Refrão]

**G** **F**  
Find me where the wild things are

**Am** **G** **F** **Am**  
(Oh my we'll be alright, don't mind us, yeah)

**Am** **G** **F**  
Find me where the wild things are

**Am** **G**  
(Oh my we'll be just fine, don't mind us, yeah)

**G**  
Find me where the wild things are

**F** **Am** **F**  
I lose my balance on these eggshells you tell me to tread

**Am**  
I'd rather be a wild one instead

**F** **Am** **G**  
Don't wanna hang around the in crowd, the cool kids

**G**  
Aren't cool to me, they're not cooler than we are

[Pré-Refrão]

We will carve our place into time and space

**F** **C**  
We will find our way, or we'll make a way, say hey, hey, hey

**Am7** **G**  
Find you're great, don't you hide your face

**F**  
And let it shine, shine, shine, shine, shine, shine
