

# Alesso - I Wanna Know

Tom: **D**

Intro: **G7M G7M D D** (2x)

**G7M**  
I've been hit by stars

**D**  
A beauty you are, a beauty you are

**G7M**  
Day turns into night

**D**  
You light up my dark, you light up my dark

**G7M**  
You're the one that I see waking up next to me

**D**  
And I hope it's the same for you

**G7M**  
But you play with my mind and you send me these signs

**D**  
And I see other guys get 'em too

**G7M**  
I wanna know, I wanna know

**G7M**  
Where do we go, where do we go

**G7M**  
Why are you keeping me on hold? Don't wanna leave this place alone

**D**  
Is it a yes or is it no? (Ha-ooh)

**G7M**  
I wanna know, I wanna know

**G7M**  
Diamonds in your eyes

**D**  
Cover your lies, cover your lies

**G7M**  
Trust me we can be

**D**  
Special tonight, special tonight

**G7M**  
You're the one that I see waking up next to me

**D**  
And I hope it's the same for you

**G7M**

**G7M**
