

# Alex & Sierra - Broken Frame

tom: C

You and me sitting here spinning gears Am Em  
We're like a stolen car F C G  
Hand in mine, feeling like this is right Am Em  
But it's just not ours F C G

The greatest pretenders forget to remember Am Em  
The lies F C G  
We're falling forever, we're far from together Am Em  
Tonight F C G

The light at the tunnel is a runaway train Am F C G  
The stars that we wish on are only airplanes Am F C G  
The love that we're chasing is a heart break away Am F C G  
'Cause we're picture perfect in a broken frame Am F C G

Time is on neither side, no one's wrong Am Em  
And no one's right F C G  
Hiding pain, Novocaine is gonna fade Am Em  
F C G

There's no good in goodbye

The greatest pretenders forget to remember Am Em  
The lies F C G  
We're falling forever, we're far from together Am Em  
Tonight F C G

The light at the tunnel is a runaway train Am F C G  
The stars that we wish on are only airplanes Am F C G  
The love that we're chasing is a heart break away Am F C G  
'Cause we're picture perfect in a broken frame Am F C G

Gotta open our, open our eyes Am C G F  
Gotta open our, open our eyes Am C G F

The light at the tunnel is a runaway train Am F C G  
The stars that we wish on are only airplanes Am F C G  
The love that we're chasing is a heart break away Am F C G  
'Cause we're picture perfect in a broken frame Am F C G  
In a Broken Frame G Am G F  
In a Broken Frame G Am
