

# Alex & Sierra - Little do You Know

Tom: C

Little do you know  
 How I'm breaking while you fall asleep  
 Little do you know  
 I'm still haunted by the memories  
 Little do you know  
 I'm trying to pick myself up piece by piece  
 Little do you know I need a little more time  
 Underneath it all I'm held captive by the hole inside  
 I've been holding back for the fear that you might change your mind  
 I'm ready to forgive you but forgetting is a harder fight  
 Little do you know I need a little more time  
 I'll wait, I'll wait  
 I love you like you've never felt  
 The pain, I'll wait  
 I promise you don't have to be afraid, I'll wait  
 The love is here and here to stay so lay your head on me  
 Little do you know  
 Love you till the sun dies

I know you're hurtin' while I'm sound asleep  
 Little do you know  
 All my mistakes are slowly drowning me  
 Little do you know  
 I'm trying to make it better piece by piece  
 Little do you know I, I love you till the sun dies  
 Oh wait, just wait  
 I love you like I've never felt  
 The pain, just wait  
 I love you like I've never been afraid, just wait  
 Our love is here and here to stay so lay your head on me  
 I'll wait (oh wait), I'll wait (oh wait)  
 I love you like you've never felt  
 The pain, I'll wait (I'll wait)  
 I promise you(I) don't have to be afraid, I'll wait  
 The love is here and here to stay so lay your head on me  
 Lay your head on me  
 Lay your head on me  
 'Cause little do you know I  
 Love you till the sun dies
