

Alex & Sierra - Scarecrow

Tom: **B**

(com acordes na forma de **G**)
Capotraste na 4ª casa
Intro: /VERS0

I'm standin' still without you
In the emptiest of fields
Wish that I could say what's on my mind
The straw that fills your heart so you never have to feel
You say that you just need a little time
Days like these I bury my each and every word
Hide them underneath these lonely trees
The harvest moon is wicked
I know that you've been hurt
I swear I'm here for good I'll never leave

A7sus4
This is where it starts tonight
D
If you open up your heart tonight

C **G**
You're staring out the window
D **Em**
I'm out here in the street
C **G**
You stand there like a scarecrow

D **Em**
I'm begging you to speak
C **G**
You used to be my solid ground
D **Em**

Now I'm drowning in the sea
A7sus4 **G** **Em**
I just want to believe in you and me
A7sus4 **G** **C** **D**
I just want to believe in you and me

Hey yeah, hey yeah, hey yeah, hey yeah
Used to be so full of life not just an empty shell
You're out there all alone I wonder why
The pieces keep on falling out and I pick them up myself
But I'd let you steal the buttons from my eyes
